

Sunday 26 Sep Timings	Building M1 Friends of Music (1400p)	Building M2 Emilios Riandis (500p)	Building M2 Maurice Saltiel 1,2,3 (300p)	Building M2 Museum (100p)	Building M2 Study Hall (100p)	Building M2 S1	Building M2 B21	Building M2 B24			
8:00	Registration Desk										
8:30											
9:00											
9:30											
10:00											
10:30											
11:00											
11:30											
12:00	Coffee Break										
12:30	Masterclass 1 – Karl Storz FEES – Tips and tricks (MasterClass) Master Dissector: Andreas Leunig Moderator: Valentine Tomazic							Rhinology Editorial Board			
13:00		Coffee Break									
13:30		Industry Symposia Sanofi									
14:00											
14:30			Coffee Break								
15:00			Masterclass 2 Rhinoplasty / Dissection: Injectables and fillers in and around the nose Master Dissector: Alwyn d' Souza Moderator: Pavlos Maragoudakis							Advisory Board Meeting	
15:30											
16:00											
16:30									ISCOANA Meeting		
17:00	Exhibition Opening										
17:30											
18:00	Opening Ceremony										
18:30	ARISTOTLE, THE PHILOSOPHER WHO SET THE FOUNDATIONS OF SCIENCE – CONTEMPORARY PERSPECTIVES ON HIS THOUGHT Demetra Sfendoni-Mentzou										
19:00	Cocktail Reception										

Monday 27 September 2021														
Timings	Building M1 Friends of Music (3400)	Building M2 Emiliois Wlands (500)	Building M2 Maurice Saitell 1,2,3 (300)	Building M1 Rehearsal Room (200)	Building M2 Mousa (200)	Building M2 Museum (100)	Building M2 Study Hall (100)	Building M2 CR1 (100)	Building M2 CR2 (50)	Building M2 CR3 (70)	Building M1 Room 13 (50)	Building M1 Room 14 (50)	Building M1 Room 12 (50)	Building M1 Room 11 (50)
08:00-08:50														
09:00-10:00	Monday Plenary Past, Present and Future of Rhinoplasty: Peter Hellings Future of Sinus Surgery: Sean Carie													
10:15-11:40	Symposium 1 Recurrent CRS Chairperson 1: Pär Stjärne Chairperson 2: Vasilios Danilidis Controversies in the management of recurrent CRS Richard Orlandi Revision surgery in recurrent CRS Manuel Bernal Sprekelsen Biodegradable corticosteroid impregnated dressings: cheap and effective David Cote Biologics in CRSwNP: a new paradigm? Wytse Fokkens	Symposium 2 New developments in endoscopic Skull Base surgery Chairperson 1: Rudi Briner Chairperson 2: Sercan Code Surgical principles and limitations of endoscopic approach Piero Nicolai Complications and how to avoid them Eric Wang Sinonasal cancer with orbital invasion Christian Betz Pediatric skull base surgery Daniel Filis	Symposium 3 Role of the Nose in Snoring and OSAs Chairperson 1: Isak Isavermann Chairperson 2: Martin Jurina Multifactorial nature of snoring and OSAs Russell Cartcart Link between nasal pathology and OSAs Bluck Kotecha Novel treatments in OSAs Manuele Casale Prediction of success of OSAS treatment Simon Carney	Symposium 4 The essentials in rhinoplasty Chairperson 1: George Miras Chairperson 2: Ioannis Kastanoudakis The assessment of Nasal Physiology and Function Michalis Tsoumis Auditing your results and patient satisfaction Michalis Tsoumis Endonasal approach: Spectrum of indications based on data Holger Gassner Surgical Debridement does it make a difference Abdulkader Goksel Septal Surgery Revisited: Structure, Airway, Aesthetics. Irena Vasilenko	Symposium 5 Peri-operative care around endoscopic sinus surgery Chairperson 1: Sean Carie Chairperson 2: Kamberos Antonios Perioperative use of antibiotics and corticosteroids: what is the evidence Silviu Albu Advantages and disadvantages of packing after sinus surgery Marlene Speth Corticosteroid eluting implants: the panacea for recurrent disease? Joseph Han Free nasal floor mucosal grafting after endoscopic total ethmoidectomy for severe nasal polyposis Ramon Moreno-Luna	Symposium 6 Non-functional Treatment of CRS Chairperson 1: Isam Alomid Chairperson 2: Ivica Klapan The concepts between functional vs. non-functional surgery Andreas Leung Reboot surgery/ Nasalisation Claus Bachert Role of hyperreactivity Peter Smith Free nasal floor mucosal grafting after endoscopic total ethmoidectomy for severe nasal polyposis Ramon Moreno-Luna	Symposium 7 New Allergic Rhinitis Chairperson 1: Fotis Pappasiliou Chairperson 2: Tanja Soklic Kosac Prevalence of phenotypes of NAR Klementina Avdeeva Different phenotypes of NAR endotypes Peter Smith Role of hyperreactivity Larry Kalish	Symposium 8 Junior Member Symposium: Management of Postoperative Complications in Rhinology Chairperson 1: Tiago Santos Chairperson 2: Anastasia Pitara Management of infectious complications Catherine Rennie Strategies of synchia formation management Pavel Sunda Common mistakes in nasal airway surgery leading to mishapen nose: prevention and management Alexandru Nicolaeescu Pitfalls of FESS: How to avoid postoperative complications? Axel Wolf	Abstract session 1 CRS - medical management 1 Chairperson 1: Mikkel Alamin Chairperson 2: Tomislav Baudoin	Abstract session 2 CRS - surgical management 2 Chairperson 1: Gevrije Adriaensen Chairperson 2: Vlad Budu	Abstract session 3 CRS - diagnosis and investigations 1 Chairperson 1: Ujjjana Ivanovic Chairperson 2: Chariton Papadakis	Abstract session 4 CRS - outcome assessment 1 Chairperson 1: Michalis Katotomichelakis Chairperson 2: Valerie Hox	Abstract session 5 CSF leaks and management 1 Chairperson 1: Evangelos Giotakis Chairperson 2: Alfred Aga	Abstract session 6 Acute Rhinosinusitis 1 Chairperson 1: Suela Salavadi Chairperson 2: Alexandros Karatzanis
11:45-13:10	Symposium 9 Inverted Papilloma Chairperson 1: Cem Mecic Chairperson 2: Evangelos Giotakis Clinical and radiological evaluation Mario Turri Zanoni	Symposium 10 Vasculitis / Systemic Diseases Chairperson 1: Ljiljka Kalijer Chairperson 2: Chariton Papadakis Endoscopic transnasal orbit surgery Mustafa Gerek Is this really CRS or am I missing something Matteo Trimarchi	Symposium 11 Technological advances and expanding indications of transnasal endoscopic surgery Chairperson 1: Alkis Karligkirts Chairperson 2: Frodita Jakimovska Endoscopic transnasal orbit surgery Ahmad Sedaghat	Symposium 12 Functional septorhinoplasty Chairperson 1: Alireza Mesbahi Chairperson 2: Frodita Jakimovska Function vs aesthetics: how to achieve a balance? Argyro Kyriakou	Symposium 13 Assessment and Management of Facial Pain Chairperson 1: Sergey Karpischenko Chairperson 2: Suela Salavadi Evaluation of "sinus headache" Eugenio de Cero	Symposium 14 Allergic rhinitis things you have to know Chairperson 1: Emmanuel Prokopiou Chairperson 2: Aris Pngkalis How to Diagnose and Treat Local Allergic Rhinitis Iben Eguiluz-Gracia	Symposium 15 Rhinology in Sports Chairperson 1: Brecht Steelant Chairperson 2: Alexandros Karatzanis Overview of the athletic nose Valerie Hox	Symposium 16 Management of sinonasal neoplasms Chairperson 1: Dimitrios Davila Chairperson 2: Pavlos Marangoudakis Preoperative assessment Georgios Psychogios	Abstract session 7 Rhinoplasty 2 Chairperson 1: Irfan Syed Chairperson 2: Ioannis Goudakos	Abstract session 8 Smell and Taste 1 Chairperson 1: Basile Landis Chairperson 2: Caroline Huart	Abstract session 9 Facial Plastic surgery beyond the nose: 1/Facial Pain/1/ Nasal and Facial Trauma Chairperson 1: Babak Alinaasab Chairperson 2: Michael Tsoumis	Abstract session 10 Lacrimal Surgery 1 Chairperson 1: Manuel Bernal Chairperson 2: Stelios Veltrakis	Abstract session 11 Pituitary Surgery 1 Chairperson 1: Jure Urbancic Chairperson 2: Iannis Hajliouanos	Abstract session 12 Rhinology - miscellaneous 3 Chairperson 1: Petr Schalek Chairperson 2: Zuzana Balatkova
13:15-14:45	LUNCH, POSTER VIEWING AND VISIT THE EXHIBITION													
14:45-16:15	Round Table 1: Frontal Sinus Surgery Chairperson: Eric Wang Moderator: Timoleon Terzakis	Round Table 2: Sinonasal Malignancies Chairperson: Sualt Turgul Moderator: Alberto Schweiber	Round Table 3: Doctor my nose is blocked Chairperson: Hesham Negrin Moderator: Sean Carie	Round Table 4: Risk management and ethical dilemmas in sinonasal surgery Chairperson: George Veltrakis Moderator: Gil Biggal	Round Table 5: Preservation rhinoplasty Chairperson: Pavlos Marangoudakis Moderator: Hesham Saleh	Round Table 6: Benign Sinus tumours Chairperson: Georgios Psychogios Moderator: Thibaut Van Zee	Round Table 7: Juvenile Angiofibroma Chairperson: Gotakis Ioannis Moderator: Manuel Bernal	Abstract Session 13 Candidates for Oral Presentation Prize Chairperson 1: Valerie Lund Chairperson 2: Claire Hopkins	Abstract session 14 Smell and taste 2 Chairperson 1: Iordanis Koutouridis Chairperson 2: Caroline Huart	Abstract session 15 Smell and taste 3 Chairperson 1: Philippe Rombaux Chairperson 2: Antje Wilgenbusen	Abstract session 16 Sinonasal malignancy 1 Chairperson 1: Silviu Albu Chairperson 2: Marius Stavarakis	Abstract session 17 Sinonasal malignancy 4 Chairperson 1: Eftimios Kyriakidis Chairperson 2: Dimitrios Terzakis	Abstract session 18 Technological advances 2 Chairperson 1: Iannis Hajliouanos Chairperson 2: Ivica Klapan	Abstract session 19 Rhinology - miscellaneous 4 Chairperson 1: Marjolien Cornet Chairperson 2: Georgios Fymgas
16:15-16:45	AFTERNOON TEA, POSTER VIEWING AND VISIT THE EXHIBITION													
16:45-17:30	Minimally invasive maxillary sinus approach Sergej Karpischenko													
17:30-18:30	Satellite Symposia MSD													
18:00-19:00	Satellite Symposia CSK													

Tuesday 28 September 2021 Timings	Building M1 Friends of Music (1400g)	Building M2 Emillos Riandis (150g)	Building M2 Maurice Salliet 1,2,3 (140g)	Building M1 Rehensals Room (150g)	Building M2 Mousa (100g)	Building M2 Museum (100g)	Building M2 Study Hall (100g)	Building M2 CR1 (100g)	Building M2 CR2 (10g)	Building M2 CR3 (70g)	Building M1 Room 23 (10g)	Building M1 Room 14 (10g)	Building M1 Room 12 (10g)	Building M1 Room 11 (10g)
08.00-08.50			Tip surgery Hesham Saleh	Endoscopic dacryocystorhinostomy without mucosal flap preservation Todd Kingdom	Hereditary Hemorrhagic Telangiectasia (HHT) Valerie Lund	Logistics and practicalities of treatment with biologicals Sietze Reitsma								
09.00 - 10.00	Tuesday Plenary													
	Biologics: the game changers in treatment of CRS: Claus Bachert Ethical dilemmas with new treatments: Sietze Reitsma													
10.15 - 11.40	Symposium 17 CSF Leaks Chairperson 1: Andreas Lenzig Chairperson 2: Boštjan Lanšnik Diagnostic tests / challenges Valentin Tomacic Managing the traumatic leak Cem Mecic Managing spontaneous leak John DeGaudio Managing failed primary cases Isam Alabd	Symposium 18 Monoclonal antibodies: how will it change the treatment of CRS patients Chairperson 1: Harsha Kariyawasam Chairperson 2: Evangelos Giotakis How do they work Ioana Agache Trial data vs. real life experience Rik van der Lans Positioning relative to surgery Stella Lee What are the risks? Marjolein Cornet	Symposium 19 Approaches to the Maxillary Sinus Chairperson 1: Christian Betz Chairperson 2: Angelos Nikolou Middle meatal antrostomy - when and how Pavlos Maragoudakis Treatment of the silent sinus Pietro Palma Tip suturing Hesham Saleh How to manage the droopy tip Jannis Constantinidis What do I do for the severely asymmetric tip Roe Landsberg	Symposium 20 Refining the nasal tip Chairperson 1: Philip Lekakis Chairperson 2: Nikolaos Maroulfas Minimizing the bleeding and optimization of surgical field in sinus surgery Tiago Santos Management of severe bleeding in sinus surgery Intraoperative Orbital Complications in Sinus Surgery Peter Andrews	Symposium 21 Management of Acute Intraoperative Emergencies in Rhinology Junior Member Symposium Chairperson:1. Antonio Susa Vera Chairperson 2: Infan Syed The nasal dorsum Antonio Susa Vera Infan Syed	Symposium 22 Gender Issues in Rhinology Chairperson 1: Andrey Lopatin Chairperson 2: Stefanos Triandis Why do men snore? Gender issues in OSAS Konstantinos Vlachos Pregnancy related rhinitis Thomas Baudoin	Symposium 23 Everything You Need to Know About HHT Chairperson 1: Michael Soyka Chairperson 2: George Papacharalampous Diagnosis of HHT Thomas Kuehnel Gregor Bachmann-Harildstad Surgical treatment of HHT Simon Gane	Balkan Symposium 24 Pediatric rhinology Chairperson 1: Froidita Jakimovska Chairperson 2: Suela Salfavaci Early and late consequences of nasal trauma in children. Is the treatment same as in adults? Gabriela Kopacheva Endoscopic DCR in children. Ibrahim Çukurova Epistaxis in children: etiology and management. Alexandros Delidis Pediatric FESS Alfred Aga Current management of acute rhinosinusitis complications in the pediatric population Petros Karkos	Abstract session 20 CRS - medical management 2 Chairperson 1: Pawel Surda Chairperson 2: Spyros Gougousis	Abstract session 21 CRS - surgical management 3 Chairperson 1: Valerie Hox Chairperson 2: Aleksander Peric	Abstract session 22 Allergic Rhinitis 1 Chairperson 1: Michael Rudenko Chairperson 2: Ron Egulu-Gracia	Abstract session 23 Benign nasal tumours 2 Chairperson 1: Jan Ptak Chairperson 2: Dan Cobzaru	Abstract session 24 CRS - diagnosis and investigations 2 Chairperson 1: Harsha Kariyawasam Chairperson 2: Jure Urbancic	Abstract session 25 CRS - outcome assessment 2 Chairperson 1: Vasileios Lichanas Chairperson 2: Olga Kessidou
11.45 - 13.10	Symposium 25 Everyday Endotyping Chairperson 1: Claus Bachert Chairperson 2: Michael Stomchickov Why endotyping is important Peter Howarth What we all can do Sietze Reitsma What we could do in the near future Adam Chaker The future of endotyping Devyani Lal	Symposium 26 Investigations and management of Smell and Taste Disorders Chairperson 1: Thomas Kuehnel Chairperson 2: Alexandros Delidis Why is measuring olfaction so important and what is the minimum you have to do? Basile Landis Examination and imaging in smell loss Sophia Poletti Orths and retromaxil testing: what are the differences? Philippe Rombaux	Symposium 27 Sinusitis - What I Have Learned Chairperson 1: Metin Önerci Chairperson 2: Milan Stankovic Preoperative evaluation Pavol Surda Planning and type of surgical approach Piero Nicolai What are the limits of endoscopic treatment Mario Turri-Zanoni	Symposium 28 Immunotherapy: present and future options Chairperson 1: Michael Rudenko Chairperson 2: Aris Pagioulas SLIT or SCIT Ralph Moesges Current progress of SLIT? Yoshitaka Yokamoto Can immunotherapy prevent new sensitizations Chae-Seo Rhee	Symposium 29 The nasal dorsum Chairperson:1. Antonio Susa Vera Chairperson 2: Infan Syed Managing the bony dorsum George Mirots How I manage the nasal dorsum Karen Dahambazov Refining the nasal dorsum Recent advances in primary alillary dysfunction Babak Alinasab	Symposium 30 News in CF and PCD Chairperson 1: Zsófi Bella Chairperson 2: Konstantinos Vlachos Diagnosis - genetics / FeNO Thomas Jacques Non surgical treatment options in CF and PCD Cecilia Ahlström Emanuelsson Do's and don'ts in rhinoplasty Mikael Alanin	Symposium 31 Fundamentals of Rhinoplasty Junior Member Symposium Chairperson 1: Auel Wolf Patient preoperative assessment Florian Bast How to identify and manage patients with body dysmorphic disorder? Valeria Picavet	Symposium 32 Allergic Rhinitis - Rhinosinusitis Korean Symposium Chairperson 1: Seung-Hyeon Shin Chairperson 2: Sara Torretta EAACI Position paper on the standardization of nasal allergen challenges: the Korean Perspective. Young Hyo Kim Nasal microbiome-regulated Th2 immune responses in nasal mucosa of allergic rhinitis. Hyun Jk Kim Hypoxia as a Pathogenic Mechanism of Rhinosinusitis. Chang Hoon Kim Microbiome Fungal Rhinosinusitis: Proposal of A New Subtype in the Classification. Hyo Yeol Kim	Abstract session 26 Non-allergic rhinitis 1 Chairperson 1: Eugenio de Corno Chairperson 2: Sara Torretta	Abstract session 27 Pediatric rhinology 1 & 2 Chairperson 1: Anastasia Fachmanidou Chairperson 2: Gabriela Kopacheva	Abstract session 28 CRS - pathophysiology 1 Chairperson 1: Emmanuel Prokopakis Chairperson 2: Jeterira Feja Bulu	Abstract session 29 Epistaxis and HHT 1 Chairperson 1: Kumeru Babar-Craig Chairperson 2: Michael Soyka	Abstract session 30 Granulomatous diseases of the nose 1 Chairperson 1: Konstantinos Vlachos Chairperson 2: Brozek Madry Elia	Abstract session 31 Miscellaneous 1 Chairperson 1: Stefanos Triandis Chairperson 2: Suela Salfavaci
13.15 - 14.45	Satellite Symposia Novartis	LUNCH, POSTER VIEWING AND VISIT THE EXHIBITION	Meet the Experts by OSK	LUNCH, POSTER VIEWING AND VISIT THE EXHIBITION			OSK BOARD	LUNCH, POSTER VIEWING AND VISIT THE EXHIBITION
